

Nx Premium Nickel Bass Guitar Strings

Hartke
SERIOUS TONE™

POSITIONING

Hartke's Nx Premium Nickel Bass Guitar Strings provide Serious Tone® and enhanced playability for the modern bass player. Featuring a hexagonal steel core precisely wound with nickel-plated steel, these strings ensure extended life and consistent intonation. The Nx bass strings are engineered to deliver big fundamental frequencies, while reproducing the instrument's harmonics for balanced bass with a lot of punch.

FEATURES

Why Nickel?

Nickel-plated bass strings provide a clear, bright tone that is ideal for classic rock, folk and other genres where a crisp, round tone is needed. They offer a soft feel while providing extended life that is easy on your fingers, as well as your bass guitar's frets.

Bass Dedication

For bass players of all levels, Hartke has been the go-to brand for high-quality products with excellent value. For over 25 years, Hartke has been designed and tested by musicians for musicians.
