

Sx Premium Stainless Steel Bass Guitar Strings

Hartke
SERIOUS TONE™

POSITIONING

Hartke's Sx Premium Stainless Steel Bass Guitar Strings provide Serious Tone® and enhanced playability for the modern bass player. Featuring hexagonal core wire precisely wound with stainless steel, these strings ensure extended life and consistent intonation. The Sx bass strings are engineered to deliver big fundamental frequencies, while producing a clear sound with bright tonal characteristics that cut through the mix.

FEATURES

Why Stainless Steel?

Stainless steel bass strings provide a super-bright tone that is ideal for funk, metal and other genres where an aggressive, dynamic tone is needed. Sx strings produce long-lasting tones with distinct punch.

Bass Dedication

For bass players of all levels, Hartke has been the go-to brand for high-quality products with excellent value. For over 25 years, Hartke has been designed and tested by musicians for musicians.
