

## POSITIONING

Samson's RTE Xs combine deluxe comfort, premium sound quality and the latest Active Noise Cancellation (ANC) technology with the portability required for today's mobile lifestyle. Operating for 20 hours on a single AAA battery, the ANC reduces 90% of external background noise for high definition listening in travel, office and home environments.

## FEATURES

### Free Your Mind

Unlike standard headphones that rely on physical isolation, the RTE Xs use dual internal microphones to identify and remove environmental noise through digital signal processing. Ideal for use in loud environments, the RTE Xs bring advanced noise reduction to crowded commutes, airplane cabins, office bullpens and more.

### Convenient Companion

Providing over 20 hours of ANC from a single AAA battery, you don't have to worry about charging the RTE Xs during travel. The 1-touch Monitor mode is ideal for necessary interruptions, temporarily disabling the ANC for when your attention is needed. They even fold flat into the included slim protective carry case.

### Comfort

The RTE Xs are designed to help you unwind in the midst of today's hustle and bustle. Perfect for travel, fitness and even a full night's sleep, the lightweight RTE Xs provide plush, high-protein leather cushioning and a relaxed over-ear fit.

## APPLICATIONS

- Loud environments
- Travel
- Office
- Fitness
- Leisure

## SPECIFICATIONS

Type .....	Over-ear, closed-back
Noise Reduction .....	-18dB@100-300Hz (~90% reduction)
Sensitivity .....	94±3dB@1kHz
Driver Size .....	40mm neodymium
Rated Input Power .....	20mW
Max Input Power .....	30mW
Frequency Response .....	20Hz-20kHz
Impedance .....	32Ω
Ear Pads .....	High-protein leather
Power Supply .....	1 x AAA battery (ANC only)
Cable .....	4' (1.2m), detachable straight
Accessories .....	Protective carry case
Product Weight .....	0.5lb (227g)
Gift Box Dimensions .....	8" x 8.25" x 2.5" (203mm x 210mm x 64mm)
Gift Box Weight .....	1lb (454g)
Master Carton Quantity .....	10
UPC (US only) .....	809164017868
SKU (US only) .....	SARTEX
