TH1M

Samson's TH1 and TH1M Tablet Holders help secure your tablet to any music or microphone stand. Ideal for viewing music, lyrics and set lists, these tablet holders bring the extensive functionality of standard (TSH1) and mini (TH1M) size iPads and other tablets to your performance. For maximum flexibility and custom placement, the TH1 and TH1M can be attached directly to a mic stand's thread or mounted to its tubing via the included bracket. Even with your tablet case attached, the TH1 and TH1M Tablet Holders allow complete access to your tablet screen and controls at all times.
